THE BULLETIN.

BEYOND THE MISSISSIPPI.
Thousands have already gone, and thousands more are turning their eyes towards new homes in the fertile West. To those going to Missouri, Kansas, Nebraska, Colorado, Utah, Wyoming, Nevada, Oregon or California, we recommend a cheap, safe, quick and direct route, via St. Louis, over the Missouri Pacific railroad, which runs its fine day coaches and Pullman Sleepers from St. Louis to principal points in the West, without change. We believe that the Missouri Pacific railroad has the best track and the finest and safest equipment of any line west of the Mississippi, and its connections with roads further west are prompt and reliable. The Texas connection of this road is now completed, and passengers are offered a first class all-rail route from St. Louis to Texas, either over the Missouri, Kansas & Texas railroad, via Dallas, or over the Atlantic & Pacific railroad, via Vinita. For maps, time tables, information as to rates, routes, etc., we refer our readers to S. H. Thompson, Eastern Passenger agent, Columbus, Ohio, or E. A. Ford, general passenger agent, St. Louis, Missouri. Questions will be cheerfully and promptly answered.

EMIGRATION TURNING.

CREAT FARMS IN SOUTH-WEST MISSOURI.
The Atlantic & Pacific Railroad Company offers 1,200,000 acres of land in Central and South-west Missouri, at from \$3 to \$12 per acre, on seven years terms, with free transportation from St. Louis to all purchasers. Climate, soil, timber, mineral wealth, schools, churches and law-abiding society invite emigrants from all points to this land of fruits and flowers. For particulars address, A. Tuck, land commissioner, St. Louis, Missouri. 2s

IT IS NOT TRUE

THAT
DR. HULTZ
IS DEAD.

HE IS STILL LIVING AND IN CAIRO
His office and dispensary at

NO. 22 EIGHTH STREET.

Ret. Commercial and Washington avenues

It is true, the doctor is one of the oldest physicians of the place, and his diploma, that hangs in his office, shows that he has been 32 years in the profession. He is doing a larger office practice than any other physician, treating all kinds of chronic diseases of the human system, such as old ulcers, and all diseases of the skin, humors and blood poisons; also diseases of the throat; also all diseases of the eyes of years standing; also artificial eyes inserted; gutta cured without the use of a knife; cancers cured by the application of medicine; pimples on the face removed; all skin diseases cured; all forms of venereal and private diseases cured in the shortest time; neural weakness and self-abuse cured in a short time.

It is self-evident that a physician treating cases for twenty-two years acquires great skill.

All consultations confidential, in person or by letter.

All medicines furnished at office in all cases. [S-3117.]
